2. Type in the **key word: e.g. architects**. You can **limit the author, the subject headings and language** on the left side of the screen. For more information about the exact location of the book, please, contact the librarians. The term **In-Library Use Only** means that this is a very valuable book (usually in 1 copy for the whole library), that can´t be borrowed outside the library. **FAR** is for **Faculty of Architecture**.
